Bucky McMillan was named the head men's basketball coach at Texas A&M on April 5, 2025. The three-time Southern Conference Coach of the Year arrived in Aggieland after five seasons at the helm at Samford.

Renowned for his innovative and fast-paced offensive and defensive styles of play, known as "Bucky Ball," McMillan transformed Samford into one of the top basketball programs in the Southern Conference. He guided the Bulldogs to three SoCon Championships – two regular season crowns and a tournament title – while compiling a 99-52 record, which included 20-plus victories in each of his last four seasons. He earned SoCon Coach of the Year honors in 2022, 2023 and 2024.

In 2024-25, the Bulldogs ranked No. 13 nationally in scoring offense (82.9 ppg) while ranking in the top-10 in three-pointers attempted and made. Defensively, Samford forced an average of 16.1 turnovers per game, which ranked No. 4 in the country.

Within the SoCon, Samford led the league in scoring, fast break points (14.2/g), steals (9.9/g), turnovers forced, turnover margin (3.2/g), offensive rebounds (13.1/g) and bench scoring (28.5 ppg) as the Bulldogs earned an invitation to the 2025 NIT.

McMillan orchestrated the best season in Samford program history in 2023-24 when the Bulldogs earned their first NCAA Tournament berth in more than 20 years. Samford compiled a school record 29 wins and swept the

SoCon regular season and tournament titles for the first time. In the NCAA Tournament, the Bulldogs narrowly lost to Kansas, 93-89, in one of the most memorable games of the tournament. The 2023-24 season included a school record 17-game winning streak and the team was a perfect 18-0 on its home court.

McMillan's path to the collegiate level came after experiencing unprecedented success at the high school level in the state of Alabama. As the head coach of Mountain Brook High School, located just outside of Birmingham, McMillan led the Spartans to five state championships in Alabama's highest classification and advanced to the championship game seven times in his 12 seasons at his alma mater. Named the National Coach of the Year in 2018 by the National High School Coaches Association, McMillan won 333 games at Mountain Brook while averaging nearly 28 wins per season.

McMillan played his college basketball at Birmingham-Southern from 2002 to 2006, where he was name to the Big South Conference Academic Honor Roll all four seasons and to the league's All-Academic Team as a senior. He was also added to the National Association of Basketball Coaches Honor's Court. McMillan earned his bachelor's degree in education services from Birmingham-Southern in 2007.

As a student at Mountain Brook High School from 1999 to 2002, McMillan received All-State honors from the Birmingham News in 2002 and was nominated for the McDonald's High School All-America Team. The Birmingham News also named him to its All-State Athletic Academic Team.

**2025-:** Associate Head Coach, Texas A&M

Coaching veteran Mitch Cole returned to Aggieland in April of 2025 as associate head coach and the first addition to Bucky McMillan's staff at Texas A&M.

Cole, who served on Billy Kennedy's Texas A&M staff for five seasons from 2011-16, had been McMillan's associate head coach at Samford from 2021-25. With Cole on the Samford staff, the Bulldogs posted four straight 20-win seasons, won three Southern Conference Championships and advanced to the postseason twice.

Before his time at Samford, Cole was the head coach at Berry College from 2018-21, where he posted a record of 51-17. In 2020-21, Cole led the Vikings to both the Southern Athletic Association (SAA) regular season and tournament titles. For his efforts, Cole was named 2021 SAA Coach of the Year. The 2021 Vikings also broke onto the national scene, finishing the season ranked No. 11 in the final NCAA Division III poll.

Cole arrived at Berry after two seasons as an assistant coach at the University of Arkansas at Little Rock following his time in Aggieland. On Kennedy's staff at Texas A&M, Cole served as a special assistant for three seasons before being elevated to assistant coach from 2014-16. In those two seasons, the Aggies posted a 49-21 record, including a school record 28 victories in 2015-16 as the Maroon & White won the SEC regular season title and advanced to the Sweet 16 of the NCAA Tournament.

Cole came to A&M after one of the most successful seasons in Birmingham-Southern men's basketball history, leading the Panthers to a 23-4 overall record in 2010-11 and winning the Southern Collegiate Athletic Conference (SCAC) Championship with a 14-2 conference mark. The Panthers ended the season by winning the NCAA Division III Provisional Tournament Championship. Cole earned D3hoops.com South Region Coach of the Year honors at the conclusion of the year.

Taking over as Birmingham-Southern's 12th head men's basketball coach in 2006, Cole was tasked with rebuilding the program from scratch as a result of the school's move from NCAA Division I to Division III. He quickly built the Panthers into a contender, achieving a 13-12 record with 15 freshmen in 2007-08. Two years later, the Panthers went 20-5 and won the SCAC East Division title. In his last two seasons, Cole's teams went 43-9, leading the SCAC in scoring each year.

Cole spent 11 seasons as an assistant coach at Birmingham-Southern under then head coach Duane Reboul prior to taking over as head coach of the Panthers. He was instrumental in the success of a program that amassed over 300 wins during his tenure.

A New Orleans native, Cole graduated from Holy Cross High School in 1988. He played collegiately at Montana State University-Billings, where he double majored in history and education, graduating in 1992. Cole went on to earn his master's in education from Auburn while working as a graduate assistant with the basketball team.

Cole and his wife, Amy, have three children: daughter Laura Kate and sons Carson and Joshua.

**2023-25:** Assistant Coach, Wichita State

**2025-:** Assistant Coach, Texas A&M

TJ Cleveland, widely regarded as one of the top assistant coaches in the game with a focus on guard play and a strong recruiter, was added to the Texas A&M staff as an assistant coach in April of 2025. Cleveland arrived in Aggieland after two seasons at Wichita State, which followed stops at St. John's, Arkansas, Missouri and UAB.

At Wichita State, Cleveland played a key role in the team's success as the Shockers advanced to the NIT in 2024-25. He helped coach Paul Mills win 34 games in his two first seasons, which was the third-most by a second-year head coach in school history. A pair of Shockers earned American Athletic Conference honors, which hadn't happened in the same season since 2022.

Prior to his time at Wichita State, Cleveland served 21 seasons under four-time coach of the year Mike Anderson at four different schools – St. John's, Arkansas, Missouri and UAB. He originally joined Anderson's UAB staff in 2002 as video coordinator before being promoted to assistant coach in 2005.

As Anderson's associate head coach at St. John's, Cleveland was instrumental in setting the foundation for a team on the rise, notably in recruiting, skill development and scouting. In 2021-22, St. John's finished with a winning record (17-15) for the third time in as many seasons. The Johnnies ranked second nationally in assists per game (18.8), and also finished sixth in assist-to-turnover ratio (1.57), 10th in blocks per game (5.5), 12th in scoring offense (79.6) and 15th in steals per game (8.9).

In 2020-21, Cleveland helped guide the Red Storm to its first winning record in BIG EAST play since 2014-15 and tutored Posh Alexander, who brought home both BIG EAST Freshman of the Year and BIG EAST Defensive Player of the Year honors, joining Patrick Ewing and Allen Iverson as the only players to win both awards in the same season. As a team, the Johnnies finished seventh in the NCAA in steals per game (9.1), 17th in turnover margin (+3.8), 17th in assists per game and 30th in scoring offense (79.0).

In his first year with the program in 2019-20, Cleveland helped the Johnnies rank among the national leaders in steals per game (2nd), turnover margin (3rd) and assist-to-turnover ratio (23rd).

In eight seasons at his alma mater Arkansas, Cleveland helped guide the Razorbacks to the postseason five times, making three trips to the NCAA Tournament and a pair of NIT appearances. Arkansas posted a 169-102 overall record during his tenure in Fayetteville with four years of 22-or-more wins, including 27 victories in 2014-15 to mark the program's highest single-season win total in two decades.

In 2017 and 2018, Cleveland helped the Razorbacks land a pair of top-25 recruiting classes that featured seven of the top eight players in the state of Arkansas. During his career, Cleveland has been invited to participate in Nike's Villa 7 Consortium five times and was one of only 30 assistant coaches in the nation selected for the College Coaching Consortium at the 2019 NABC Convention in Minneapolis.

In five seasons at Missouri, Cleveland helped the Tigers register three NCAA Tournament appearances, including a run to the Elite Eight in 2009. That year, Missouri won 31 games and claimed the Big 12 Tournament title. Missouri was led by DeMarre Carroll, a first round selection in the 2009 NBA Draft, who Cleveland mentored during his time with the Tigers.

During Cleveland's tenure at Missouri, the Tigers ranked second in the NCAA in turnover margin for three straight seasons while leading the nation in steals during the 2009-2010 campaign. The previous year, the Tigers topped the nation in assists.

A teammate of 18-year NBA veteran Joe Johnson during his playing days at Arkansas, Cleveland has mentored nine future NBA players, including 2015 first round draft pick Bobby Portis during his most recent stint at Arkansas. In 2014-15, Cleveland helped guide Portis to SEC Player of the Year and Associated Press Second Team All-America honors.

With Cleveland on staff, Anderson-led teams topped the nation in steals four times and ranked among the top-30 17 times in 20 seasons. His teams also led the country in assists once and have ranked among the top-30 on 10 occasions. Anderson and Cleveland saw their squads rank in the top-30 in scoring offense nine times.

A four-year letterwinner for the Razorbacks under Hall of Famer Nolan Richardson from 1998-2002, Cleveland helped guide Arkansas to the 2000 SEC Tournament title, marking Arkansas's lone conference tournament title since joining the SEC. A two-year team captain, Cleveland made three NCAA Tournament appearances as a player in Fayetteville and currently ranks fifth on the program's all-time steals list with 226.

Cleveland and his wife, Ami (Watson), are the proud parents of twins Caynen Thomas and Cayden James.

# TREV ALBERTS

A veteran administrator and College Football Hall of Famer, Trev Alberts was hired as Texas A&M's Director of Athletics on March 13, 2024, after a successful three-year stint at his alma mater, the University of Nebraska.

Alberts and his business and leadership acumen, along with the leadership at Texas A&M, has positioned the Aggies to take advantage of the many changes in collegiate athletics.

Respected nationally, Alberts was one of eight Athletics Directors to serve on the implementation committee for the new College Sports Commission.

In his first year, Alberts made significant changes to the department to cut expenses while working to become more efficient and effective.

In addition, he championed a new landmark 15-year, $515 guaranteed multimedia rights agreement with Playfly Sports which is the largest multimedia rights deal in college athletics history, guaranteeing $34 million annually. The partnership also includes a comprehensive strategy to leverage all Texas A&M assets to grow fair market value NIL for Aggie student-athletes.

In a little over one year at the helm of the Aggies, Alberts has overseen two national championships-- women's tennis in 2024 and men's outdoor track & field in 2025; along with four Southeastern Conference championships-- women's tennis in 2024 and 2025, men's indoor track & field in 2025 and softball's SEC Tournament crown in 2025. Women's tennis played for another national championship in 2025 while the Aggie baseball team competed for the national title in 2024.

As the athletics year wrapped up in 2023-24, Texas A&M posted a sixth-place finish in the Learfield Directors' Cup standings and finished 2024-25 in 15th place.

Several teams posted top-10 finishes in 2024-25 with men's outdoor track & field bringing home the national championship while the women's tennis team competed for the national championship. Others included women's outdoor track & field (No. 3), women's indoor track & field (No. 7), men's tennis (No. 9), volleyball (No. 9) and men's indoor track & field (No. 10).

Other top-20 finishes came from men's golf (No. 11), men's swimming & diving (No. 12), men's basketball (No. 17) and softball (No. 17).

In addition to success on the various fields of play, Aggie student-athletes were very involved in the community as well as excelling in the classroom. The overall departmental spring 2025 term grade-point average was 3.208, the highest in school history. Four teams achieved a 3.4-or-higher GPA, while 14 teams achieved a 3.0-or-better. A total of 73-percent of the Aggie student-athletes earned a spot on the Athletic Director's Honor Roll (3.0-or-better), including a record number of 94 student-athletes who achieved a perfect 4.0. The Aggie football team also posted its highest cumulative GPA with a 2.934 average.

Under Alberts' leadership, Nebraska posted back-to-back top-30 finishes in the Learfield Directors' Cup for the first time in a decade, including a No. 22 effort in 2023-24. It was the Cornhuskers' highest finish in the Directors' Cup since 2010.

Nebraska's athletic achievements in 2023-24 included NCAA top-10 finishes by seven teams: volleyball (No. 2), men's gymnastics (No. 4), women's soccer (No. 5), women's bowling (No. 5), women's rifle (No. 8), men's wrestling (No. 9) and women's track & field (No. 9). The Huskers claimed Big Ten regular season or tournament championships in women's soccer, volleyball, men's gymnastics, men's outdoor track & field and baseball.

In his first season at Nebraska in 2021-22, Alberts helped the Huskers navigate the ever-changing landscape of Name, Image and Likeness (NIL) guidelines for the benefit of Nebraska student-athletes. He led the development of the N-Vest Nebraska program to award $5,980 per year to student-athletes who met academic benchmarks. Alberts also spearheaded the charge to complete the fundraising for Nebraska's Go Big Project with Phase I, which included a new football facility, being completed in the spring of 2024. The project housed academic, life skills, nutrition and support services for all Nebraska student-athletes.

A tireless worker who puts both the interests of student-athletes and fans first, Alberts helped orchestrate a qualitative survey of Nebraska's fan base to help shape the future of Memorial Stadium's gameday atmosphere. Alberts also focused much of his time on developing the first strategic plan for Nebraska Athletics in 15 years. He committed himself to providing intense support and a unifying vision for Nebraska's coaches across all sports.

He continued to make a mark on Nebraska Athletics in his second year. Alberts conducted a thorough, nationwide search for a new leader for the Husker football program in the fall of 2022 that resulted in the hiring of Matt Rhule as Nebraska's new head coach. Rhule had a proven track record as a program builder at the college level, winning conference championships at both Temple and Baylor. Since his hiring, Rhule energized the Nebraska fan base and attracted top-25 recruiting classes to the Husker program in 2023 and 2024.

Alberts also spearheaded a new 15-year multimedia right agreement between Nebraska Athletics and Playfly Sports, an emerging leader in sports marketing, media and technology.

# TREV ALBERTS

The partnership was one of the nation's most comprehensive multimedia rights agreements and had a total value of $301 million for Nebraska over the life of the contract.

Academically, Nebraska student-athletes scored a 94-percent graduation success rate (GSR) in 2023, which continued a four-year streak of 94-percent-or-higher scores for the Cornhuskers. It was the sixth-consecutive year that Nebraska's all student-athlete GSR was ranked in the top-15 among the 111 public FBS institutions.

Alberts' impact on college athletics stretched beyond the Nebraska campus. A respected leader at the Big Ten and national level, Alberts served on both the NCAA's Division I Football Oversight Committee and the NCAA Division I Competition Committee.

Alberts' tenure leading the University of Nebraska at Omaha athletics was marked by successes in competition and in academics; by transitioning the university's athletic programs to NCAA Division I in 2011; and by establishing new homes for many UNO athletics teams, including Baxter Arena, the Maverick Park baseball/softball complex and the soccer pitch at Caniglia Field.

Alberts took the bold step in announcing that Omaha would reclassify from Division II to Division I in all sports in 2011 and simultaneously securing conference affiliation with the Summit League for all of the department's then-Division II programs. His vision for UNO's reclassifying teams was demonstrated even before the four-year transition period had ended. The Omaha baseball team won back-to-back Summit League regular season championships in 2013 and 2014, while the men's basketball team made its first Division I postseason appearance in 2014 with a berth in the CollegeInsider.com Postseason Tournament.

During UNO's time in the Division I ranks under Alberts' tenure, the Mavericks had six teams and four student-athletes qualify for the NCAA Tournament, including hockey advancing to the Frozen Four in 2015 and men's soccer reaching the second round of the NCAA Tournament in the spring of 2021. He also expanded opportunities, adding men's golf and men's soccer in 2011, and Omaha began a men's swimming & diving program in 2021-22.

Throughout his tenure in Omaha, Alberts was focused on enhancing the student-athlete experience, including the construction and staffing of the Hamilton Academic Excellence Room and the development of the Ethel S. Abbott Student-Athlete Development Wing. Those efforts paid off in UNO student-athletes posting consistent collective semester grade point averages above 3.3 for 18-consecutive semesters, including at least a 3.5 in each of his final three semesters.

The facilities around Omaha Athletics received a major uplift during his tenure. Maverick Park opened in March of 2021 to rave reviews as the home to the Mavericks' baseball and softball programs. Funding for the complex, which includes a 1,500-seat baseball facility and a 650-seat softball facility, were raised privately and provided both programs a permanent on-campus home for the first time.

Another crowning achievement was the opening of Baxter Arena in 2015. Alberts directed efforts to secure community support and funding to build the on-campus arena, which allowed the nationally prominent hockey program to play on campus and also served as the home of the men's and women's basketball and volleyball programs. Caniglia Field underwent renovations in 2012, making it one of the finest collegiate soccer facilities in the country, highlighted by a FIFA 2-star rated playing surface and one of the largest LED videoboards in a soccer-only college facility.

Alberts' work on behalf of hockey, UNO's established Division I sport, also paid dividends. He successfully guided the Mavericks into the new National Collegiate Hockey Conference in 2013-14. The following year, Omaha reached the 2015 NCAA Frozen Four.

In addition, Alberts and his team led Omaha Athletics into a partnership with Learfield, a national leader in the marketing of collegiate athletics, and developed Omaha Sports Properties. As the exclusive corporate sponsorship sales unit for UNO Athletics, Omaha Sports Properties further enhanced revenue and increased brand prominence locally, regionally and nationally.

As part of UNO's reclassification to Division I, Alberts oversaw the rebranding of UNO athletics with new primary and secondary logos, and a greater focus on strengthening the Maverick brand both regionally and nationally.

As a student-athlete, Alberts was an All-American on and off the football field as a Husker Blackshirt. He was Nebraska's first Butkus Award winner in 1993, helping head coach Tom Osborne's Huskers to an undefeated regular season and an Orange Bowl appearance against Florida State. A first-team All-American by every major publication in 1993, he was also the Football News National Defensive Player of the Year, the Big Eight Male Athlete of the Year and the Big Eight Defensive Player of the Year. His No. 34 jersey was retired at the 1994 Red-White Spring Game. In 2015, he was elected to the College Football Hall of Fame.

Off the field, Alberts earned the NCAA's highest honor, The Today's Top Six Award. A three-time Academic All-Big Eight honoree, he was a CoSIDA Academic All-American in 1993. He graduated from Nebraska before his senior season.

Alberts was the fifth pick in the 1994 NFL Draft by the Indianapolis Colts and played for the Colts until 1996. Following his NFL career, he served as an analyst on college and professional football games for major national networks, including ESPN, CNN/SI and CBS Sports Network.

Alberts and his wife Angela have three children – Chase (and his wife, Cassie), Ashtynne (and her husband, Riley) and Breanna. Trev and Angela have one grandson, Walker John.

### WORST TO FIRST

The 1986-87 Aggies entered the 1987 SWC Postseason Classic as the 8-seed, but upset top-seeded and No. 15 TCU in the first round and then rolled to the Championship with wins over Texas Tech and Baylor. They became the lowest-seeded team to win the SWC tournament, and Winston Crite and Darryl McDonald earned spots on the All-Tournament team.
